

Symbols of adaptability and variability

1/1

Symbols	Description	Symbols	Description
	Adaptability		Adaptability nonlinear
	Inherent variability		Variability inherent nonlinear
	Adaptability preset		Variability inherent nonlinear
	Adaptability preset		Automatic adaptability
	Variability by steps		Continuous variability
	Contact varying / movable		Variability

Examples of variable and adjustable devices

	Variable resistor by steps		Resistor continuously variability
	Inductor with preset default setting		Adjustable switch unifilar representation
