

Symbols of stations of generation of electric power

1/2

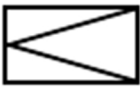

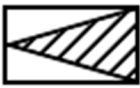

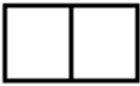

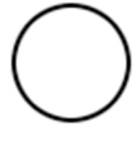

Symbols	Description	Symbols	Description
	Electric generating station in project generic symbol		Electric generating station in service generic symbol
	Hydroelectric in project		Hydroelectric plant in service
	Geothermal power station in project		Geothermal power station in service
	Central wind energy in project		Central wind energy in service
	Nuclear power station in project		Nuclear power station in service
	Central plasma MHD in project Magneto-hydrodynamic		Central plasma MHD in service Magneto-hydrodynamic
	Solar power station in project		Solar power station in service
	Thermoelectric power plant in project		Thermoelectric power plant in service
	Combined electric and thermal power generation in project		Combined electric and thermal power generation in service

Symbols of stations of generation of electric power

2/2

Symbols of electrical substations

Symbols	Description	Symbols	Description
	Electric substation in project		Electrical substation in service
	Compact substation vault in project		Compact substation vault in service
	Compact substation in project pedestal		Compact substation in service pedestal
	Aerial mono-support substation in project		Aerial mono-support substation in service
	Aerial bi-support substation in project		Aerial bi-support substation in service
	Substation in project		Substation in service
	Converter substation in project Ex: DC / AC		Converter substation in service Ex: DC / AC
