

Fuses and Electrical Protection Symbols [[Go to Website](#)]

 Fuse, IEEE ANSI system Generic symbol	 Circuit Breaker	 Fuse	 Threaded circuit breaker
 Fuse	 Unipolar circuit breaker	 Fuse IEC system	 Bipolar circuit breaker
 Fuse, IEEE ANSI system	 Three-pole circuit breaker	 Fuse	 Circuit Breaker cartridge
 Low speed fuse	 Circuit breaker isolator	 High speed fuse	 Circuit breaker isolator horns
 Protection resistor	 Fuse oil for high voltages	 Protection resistor	 Oil fuse for high voltages
 Thermal fuse Thermal cutoff	 Fuse switch Switch with built-in fuse	 Disconnecter Isolator switch	 Disconnecter Fuse switch (load-break)

Fuses and Electrical Protection Symbols [[Go to Website](#)]

Other Symbols of Electrical Protection Devices [[Go to Website](#)]

 Circuit breaker	 Circuit breaker	 Circuit breaker Molde case, non drawout	 Circuit breaker ANSI System Non drawout
 Circuit breaker Molde case, drawout	 Drawout circuit breaker	 Thermal switch Overload thermal	 Electric spark gap Protective gap
 Surge Arrester Gas discharge tube	 Electric spark gap	 Double Electric spark gap	 Electric spark gap
 Lightning arrester Surge protection surge diverter	 Lightning arrester Surge Protection surge diverter	 Telephone line protector	 Lightning rod
 Delay	 Network protector	 Thermostat	 Thermal switch
